*Please Note: A FBA registration number will be issued on certificates, but no ear tags will be furnished. The FBA registration number and individual ID (ear tag or tattoo) number must always remain the same and cannot be changed. Never use the same number on two different animals. If a sheep loses an ear tag, you may re-tag the sheep with a different tag number and keep this information in your flock records as required by USDA regulations. However, continue to use the sheep's original ear tag number (as recorded on it's FBA Certificate of Registry) for the purpose of registering its offspring. The FBA will furnish suggestions for tagging and/or identification upon request.*

*Docked Tails: Finnsheep with docked tails will not be registered. The tail is a distinct characteristic of the animal's/breed's purity.*
